REMARKS

The foregoing amendments and these remarks are in response to the Office Action dated June 05, 2001, and supplementary to the amendments submitted by Applicant on November 05, 2001. This supplementary amendment presents new definitions of the invention.

Applicant has made every effort to present claims which distinguish over the prior art, and it is believed that all claims are in condition for allowance. Nevertheless, Applicant invites the Examiner to call the undersigned if it is believed that a telephonic interview would expedite the prosecution of the application to an allowance. In view of the foregoing remarks, Applicant respectfully requests reconsideration and prompt allowance of the pending claims.

Respectfully submitted,
